CANVA STORIES

Dear Friend,

DEDICATED TO

The Rebbe

Rabbi Menachem M.
Schneerson
of righteous memory

The Rebbe's inclusive vision, unconditional love of humanity, leadership and dedication, are the inspiration and guiding light for the Chabad Jewish Center of Renton.

Rabbi Yisroel and Shternie here, lucky parents to Mendel, Mushka, and Levi, and blessed members of a loving, warm, 4-year-old Jewish community across Renton, Kent, and Auburn. We made the move to Renton a little bit ago because nothing brings us more joy than to bring Jews together - each who believed they were the only one in town.

Here at the Chabad Jewish Center, we decided, they would all be at home.

5783 is a "Year of Hakhel," which means gathering. When the Holy Temple stood in Jerusalem, every Jewish man, woman, and child participated in a grand assembly every 7 years. At the special ceremony, the king would read select portions from the Torah to inspire all gathered in their connection to G-d and their collective divine mission to make this world a better place.

So join us in a year of "Hakhel" - as we gather in celebration and inspiration! We invite you! Through state of the art youth programs, adult education, women's circle, and holiday celebrations - there is something for everyone.

The calendar you are holding includes everything Jewish you might need locally, from holidays to Shabbat candle-lighting times and more.

Welcome to the family.

Wishing you a Shana Tovah, a sweet, sweet new year!

Rabbi Yisroel and Shternie Treitel

ELUL 5782-TISHREI 5783

UNITY

We are a single person with many millions of faces, a single soul breathing within a multitude of diverse bodies. In each one of us is found all of Israel, and what any one does immediately reverberates through all the rest. Wherever you go, you take some of me there with you, and where I go, you too will come along.

HUGGED BY A HUT

A sukkah is an embrace. You sit inside and G-d is hugging you. All of you, from head to toe. Whatever you do inside your sukkah—sip a beer, chat with a friend, answer your e-mail, or just sleep soundly—all is transformed into a mitzvah, a secure and timeless connection with the Infinite.

BEALAMP

Because every human soul entered this world for one reason alone: To bring light wherever there is darkness. That is why we must enlist every soul we light. Not only because we need a whole army of lamplighters to light up the world, but because no person is meant to only receive and not give.

THE HIGHEST HAPPINESS

True happiness is the highest form of self-sacrifice. There, in that state, there is no sense of self —not even awareness that you are happy. True happiness is somewhere beyond "knowing." Beyond self. All the more so when you bring joy to others. This is the joy of Purim.

PASSOVER WISDOM

The wise child asks the same question each year, again and again. That is wisdom: To ask a question of perpetual wonder. Even once it is answered, today is another Exodus. Today the wonder is renewed.

SIVAN 5783 - TAMMUZ 5783

TEACH YOUR CHILDREN

You must teach your children Torah. Not as a burden, but as a love; so that they will cherish Torah wisdom, share it, and speak about it. Until it becomes the defining activity of their lives. And to accomplish this, you too must be engaged, heart and soul, in your children's education. This is why there are Jews today, how this miracle occurred: Because there were Jewish parents who focused their entire lives on the Jewish education of their children.

JULY 2023

TAMMUZ 5783 - AV 5783

MARRIAGE AS MICROCOSM

If you are here looking for what you can get out of this world, then the world and all its trappings will only drag you down. But if you are looking for what you can give, then you, your part of the world, and your soul, all are uplifted and filled with light.

So too, when you enter a marriage:

Look for what you can give, and reap harmony and love.
